

BREAKFAST WITH THE PRINCIPAL

"Most Improved" Breakfast

An event once a month first block on Friday mornings. The Teachers, Leadership and Student's Council members recognize students that make the school a positive place to learn and grow. The students recognized are DIVERSE, not just the ones that excel in sports, academics or music. They can be ones in clubs, volunteer work or community service. Or ones that demonstrate respect, hard work and positive attitude. ALSO ones that have made significant personal achievements like raising their average from 50% to 60% or developing better work habits. Staff can also nominate special students through their positive attitude, willingness to help others, good humor and bright smiles. The purpose is to recognize as many students as possible and transform the school to a "norm" of being GREAT!

Breakfast can be as simple as muffins/croissants and jam or as elaborate as ham and egg sandwiches! Serve with fresh coffee, juice and hot chocolate.
