

French Summer Institutes at UBC

July 6-23, 2020

Immerse Yourself in French Language and Cultures

Our immersive and interactive one-, two- and three-week institutes help advance your French language skills — without you having to leave BC.

Lively classes blend instruction, practice, culture and celebration. Learn in a supportive, small group environment with native-speaking instructors experienced in adult education. We also connect you with valuable language and cultural resources in the community.

In the full-day institutes, enjoy French-speaking events, excursions and workshops that give you the chance to practise French and appreciate francophone culture outside the classroom.

“
My instructor was engaging and enthusiastic. I began speaking more in French and also began thinking more in French. The course was well-paced and well-structured. I would highly recommend it!

Applying for a Bursary

UBC Extended Learning supports continuing education for BC teachers with bursaries funded by the Government of Canada and administered on behalf of the French Education Branch of the BC Ministry of Education.

Certified teachers, eligible non-certified teachers and BC school district staff, can apply for bursaries that cover tuition, plus a portion of travel expenses (for teachers outside the Lower Mainland).

We encourage you to apply for a bursary as early as possible. If funds remain after June 26, 2020, bursaries will be offered to applicants who are employees of BC school districts and have regular contact with students in French programs, but who are not certified teachers.

For more information on eligibility and application requirements, and to apply online, visit exl.ubc.ca/bursaries.
