

AIM is a **FREE** Virtual Youth Leadership Series modelled after the in-person leadership conference, Youth Adventures in Leadership (YAIL). With our lives looking a lot different than we are used to, we wanted to offer a safe, inclusive, and fun environment that provides participants with the opportunity to grow as individuals and leaders. We are proud to present AIM by YAIL.

AIM is open to all High School aged youth and young adults in Rotary District 5050 (District 5050 extends from Everett, WA. to Hope, BC) and does not require a Rotary sponsor to attend.

This series gives participants insight into some of the foundational characteristics of what it means and takes to be a leader: with increased perspective and enthusiasm for growth and success.

The virtual series presents a fantastic opportunity to have speakers from outside of our area and district share their expertise on various topics. Our speaker sessions take place weekly on Thursdays from **7:00 pm - 8:30 pm (PST)** in a TedTalk format, and there will be speakers on the following topics.

- **April 15, 2021** - Leadership
- **April 22, 2021** - Mindset
- **April 29, 2021** - Inspiration & Purpose
- **May 6, 2021** - Life Changes
- **May 13, 2021** - Interact/Rotaract

Each session will conclude with a Diversity & Inclusion speaker tying in the topic to everyday lives. We believe that we must empower and inspire youth to be the best versions of themselves, especially in today's world.

The safety and protection of youth attending [AIM by YAIL](#) is our top priority. We have incorporated protection policies to provide a safe environment for learning and growth for all participants.

To attend, participants will need to register and reserve the dates. **Registration will be open on February 15th, 2021.**
