

# NATURES CLASSROOM FALL 2022

Natures Classroom is a six-week series of workshop with hands on learning. It provides a unique opportunity for students to learn about growing food, while developing skills around social and environmental responsibility.

For the Fall 2022 session, LEPS is inviting 3 classes to participate! *Funding for bus transportation to the site available from The Township of Langley to ToL schools!*

Limited space available - enquire today for a spot. Email [education@leps.bc.ca](mailto:education@leps.bc.ca) or 604-546-0339.

*This program is presented in partnership with Envision Financial. \$10 per student. Thank you to Township of Langley for transportation funding.*
